Download the HANDi App for advice and information when your child is poorly

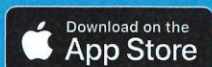

The HANDi app provides simple and straightforward advice when your baby or child is unwell. Conditions covered include:

- Abdominal pain
- High temperature
- Chestiness (such as croup and asthma)
- Problems during the new born period
- Diarrhoea and vomiting

Download the HANDi app for Android phones at Google Play.

Download the HANDi app for iPhone from the app store, search for 'HANDi app'.
